Guidelines to Contributors

Authors are required to use the standard format of BJE as indicated in ‘Guidelines to Contributors,’ which is taken from “Guidelines for Articles to be published in BJE”.

1. General Information

- Manuscripts will be considered for publication on the understanding that they have not been previously published and are not simultaneously submitted or published elsewhere.
- BJE publishes only original researches and investigations. This does not refer to papers presented orally at symposia or other proceedings.
- The Editorial Board reserves the right of final acceptance, rejection and editorial correction of papers submitted.
- Authors are responsible for all statements made in their work including changes made by the copy editor.
- Priority and time of publication are governed by the Editorial Board’s decision.

2. Style and Format for Contributors

Before submitting the manuscripts for publication in BJE, authors are required to follow the following styles and formats.

2.1 Title Page

a) The following shall appear on the Title Page:

- The full title of the articles;
- The name(s) of the author(s);
- The titles(s), academic position(s) of the author(s) referred to at the bottom of the page with the use of an asterisk;
- The study period;
- Full address of the author (institutions, postal address, telephone, e-mail etc., for correspondence);
- Other relevant information such as if the paper was presented at a meeting or is part of a series study, should be noted at the end of the manuscript.

b) The degree of Authors contribution

It is the responsibility of the authors to declare the degree of contribution made by each of them. Normally, the following rules apply;

- Equal contribution is presumed when the names are written in alphabetical order; or
- The degree of contribution shall be determined by the order in which the names appear, unless indications are given by the authors to the contrary.
• All correspondences will be made with the author whose name appears first (unless indicated otherwise).

3. Length of an Article

The manuscript should:
• Have an abstract not exceeding 150 words
• Be typewritten, double spaced on one side of a4 paper and should have normal margins (left, right, top & bottom).
• Not exceed 30 pages.

4. Citation and References

We would like to inform contributors that the citation and referencing style of BJE is APA Style. Hence, please kindly refer the sixth edition publication manual of the American psychological association.
Note to Contributors

Bahir Dar Journal of Education is published by the Faculty of Educational and Behavioral Sciences, Bahir Dar University. The journal would like to invite contributors to send their manuscripts for possible consideration of publication. The journal publishes issues such as adult education and community development, assessment and evaluation, curriculum and instruction, educational planning, educational psychology, leadership and management, special needs education, teacher education, cross cutting issues and other education related themes.

Manuscripts that fulfill the requirement of the journal can be sent to:
