

Invitation to Prepare Repository Software Programme

(a two-stage bidding)

The Research and Community Services Vice President Office (RCSVPO) of Bahir Dar University invites competent professionals to prepare state-of-the-art repository software programme for the proper administration, follow-up and public viewing of its activities.

Among others, this software programme shall enable the RCSVPO and all concerned to view, follow-up and administer activities such as: Research, Publications, Conferences, Weekly Seminars, public lectures, Capacity Building Activities, Community Services, Consultancy Services, Knowledge and Technology Transfer, University-Industry Linkage, Externally-funded Projects, Publications of RCS Periodicals and news items, RCS Activities and Projects undertaken in Partnership with Stakeholders, etc.

As this is a two stage bid, on the first stage, competent professionals (preferably in team) are invited to submit their technical proposal along with their credentials (CVs and supporting documents) until Megabit 20, 2009 E.C. Then, the RCSVPO will hold open discussion with all teams who submitted proposals. Based on that, teams of professionals will be invited to submit their technical and financial proposal on the second stage of this bid.

Details of the bid can be collected at Bahir Dar University, Wisdom Tower Office Number 202. It can also be requested via email: abiymenkir@yahoo.com
