

CALL FOR PAPERS!

Wisdom at the source of the Blue Nile

**The 37th May Annual International Educational Conference
May 17-18, 2019**

**College of Education and Behavioral Sciences (CEBS)
Bahir Dar University, Bahir Dar, Ethiopia**

The College of Education and Behavioral Sciences at Bahir Dar University will host its 37th May Annual International Educational Conference on May 17 & 18, 2019 under the major theme *“Secondary and Technical-Vocational Education and Training: Practices, Challenges and Prospects”*. Themes of this conference will instigate educators, experts in the area and policy makers to think and rethink about the journey of the current education system. We hope this conference will raise pertinent questions and put some insights about what will be done in the future. Hence, the college would like to invite interested researchers to submit their completed research papers on the thematic areas indicated below.

1. Education for unity and diversity

- a. Educational policy
